MEMORANDUM FOR THE DIRECTOR

1. I should label this a report of apology for lack of any significant progress with regard to the alumni association. I have been almost totally consumed with personal affairs, primarily buying an apartment, selling a house, and making all the other necessary adjustments. Aside from talking to a few more people, all of whom are in favor of the idea, I have accomplished virtually nothing. It doesn't look like I will have very much, if any, time to spend on this between now and about the first of March.

2. It occurred to me that, in view of the timing of the turn-over here, it might be prudent to at least mention it to Jim Schlesinger before we proceed. Since Dick Walters is so enthusiastic about the alumni association, it might be a good idea to ask him to take it up with Schlesinger. I would be glad to speak to either of them if you would like me to do so.
